Working paper submitted by the delegations of the Hungarian People's Republic, the Mongolian People's Republic and the Polish People's Republic: draft Security Council resolution in connexion with the draft Convention on the prohibition of the development, production and stockpiling of bacteriological (biological) weapons and toxins and on their destruction

"The Security Council,

Highly appreciating the desire of a large number of States to subscribe to the Convention on the prohibition of the development, production and stockpiling of bacteriological (biological) weapons and toxins and on their destruction,

Bearing in mind that under article of the Convention the States Parties shall have the right to lodge complaints with the Security Council together with a request for their consideration by the Council,

Recognizing the need for the adoption of appropriate measures with a view to ensuring the observance of the obligations contained in the Convention,

Taking into consideration the desire of the States Parties to co-operate with the Security Council for the purpose of ensuring the strict observance of the obligations contained in the Convention,

1. Declares its readiness:

- to consider immediately any complaints lodged under article of the Convention,
- to take all necessary measures for the investigation of a complaint,
- to inform the States Parties to the Convention of the result of the investigation;

2. Calls upon all States Parties to the Convention to co-operate for the purpose of implementing the provisions of this resolution."
